## Class Prophecy

As I was walking down Fifth Avenue in Hermleigh one afternoon I saw a sign reading "Glance into Your Future" and since I had been wondering about the future of the senior class of '46, I went in to see about my classmates.

I entered and sat down on a box, and very soon a Gypsy appeared and began to mumble and make signs which put me in a trance and she told me to look into a crystal ball. As I looked, I saw a train moving swiftly across the state carrying Elsie Vernon from Army Camp to Army Camp following her husband Walter Ammons. And then I saw Admiral Bill Don Kimzey commanding the big battle ship "Green Fly."

Another picture appears, and in it I saw the Hermleigh Tattle-Tale announcing that the former Neita Sue Rountree is now Mrs. Pete Hale.

Then suddenly, I heard the famous "Bing Crosby" of the day, Fred Bowen, singing "Henry Dreams of Joyce With the Light Brown Hair." And as that picture slowly faded, I saw a girl sitting at a typewriter, not typing, but making eyes at her handsome boss—it was hard to believe, but it was Annie Faye Lopour.

Another scene comes into view and there is Lillian Wimmer in a nurses uniform but the right Pvt. in a uniform just isn't there. And there was Janie Peterson—heart-broken—because the right man just hadn't come along and then as I looked closer I saw Mr. Covey approaching, but he was just taking a walk after a hard days work going to see the comedies of Mickey Mouse and Donald Duck.

Then the scene slowly faded and I, Mary Lou Cotton, sat amazed ; I saw a tall dark man entering my life and as I almost saw his face the Gypsy lightly touched my shoulder and I paid my fees and again I found myself outside walking down the street of this beautiful city.

# Class Will

We, the Senior class of '46, having completed our High School education with the inefficient knowledge, the unconquerable will-power, being trust-worthy, dignified, sweet, happy-go-lucky, good-looking; worthy of all pleasures, and having set the most perfect example, do hereby will the following assets to the faculty, student body and junior class.

I. To the faculty we will our ability to live, love, learn, and may they be blessed by having as great a class next year as of nineteen-hundred-and-forty-six.

II. To Mr. Covey, our class sponsor, we bequeath our undivided assistance in future years as well as past years.

## Girls' Basketball

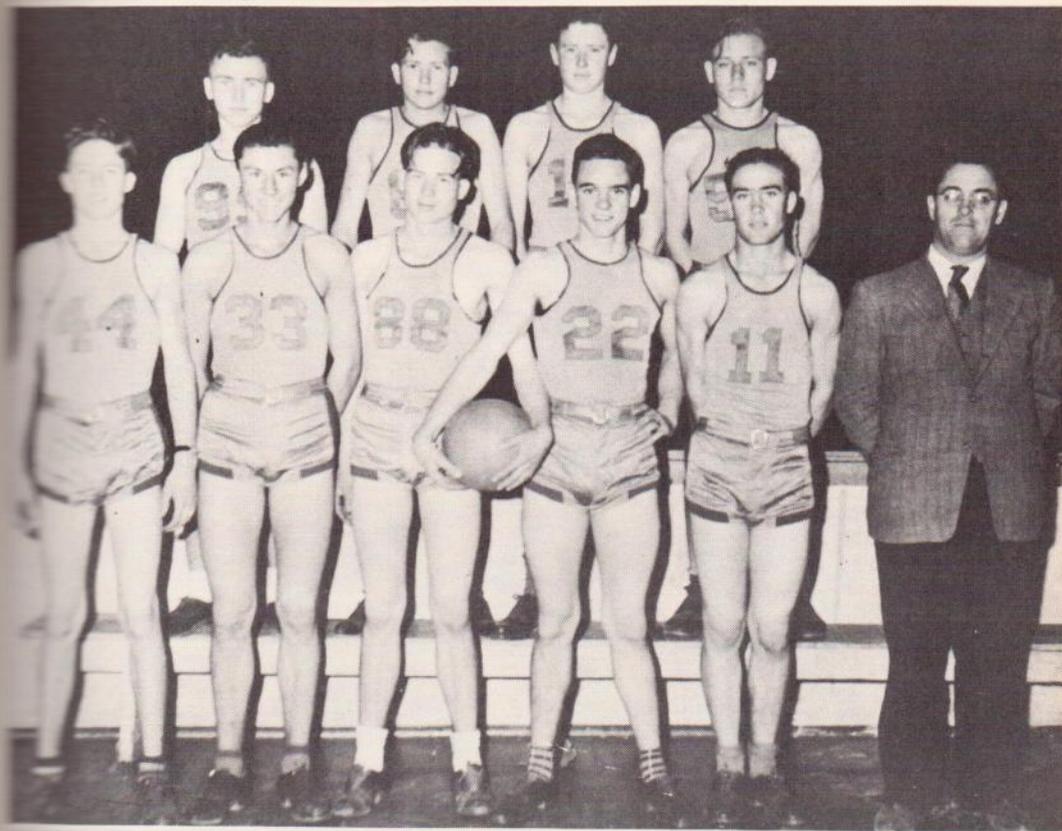

**FRONT ROW:** Mary Lou Cotton, Marlyn Rountree, Janie Peterson (Capt.), Lillian Wimmer, Joyce Chambers, Neita Sue Rountree.  
**BACK ROW:** Hazel Reeves, Claudia Cizek, Johnnie Lee Williams, Elsie Vernon (Co-Capt.), and Miss Lou Stewart (Coach).

The basketball girls have proved this season to be a very successful one. The team won seventeen out of the eighteen conference games played. After a very exciting and breath-taking game, the team nosed out Ira with the winning score of 19-18. This game gave the title of County Champions to the Hermleigh Cardinals which entitled them to play in district tournament held at Post the 21st and 22nd of February. The team played their first game with Noodle and secured the high-point score of 24-18. Their second game was played with Post and though the team fought till the final whistle blew they lost by the score of 20-29 placing them third in the district.

March 1 and 2 the girls attended the Ira Invitation Tournament. There the team won their first game which was played with Coahoma by an eleven point lead, the score being 31-20. Playing for first place, the team met Pyron and again they won with a margin of two points. This score gave them the honor of receiving the first place trophy. The game, being their final one of the season, was one of the best and yet the toughest to win.

Much to the sorrow of the remaining girls, all but one player on the main team will graduate this year but with careful training the Hermleigh Cardinals will again have a winning team.

# Boy's Basketball

FRONT ROW: Leon Lewis, Jake Smith, Fred Bowen, Bill Don Kimzey, Dillard Herrley, A. L. Kerby.  
BACK ROW: Adolf Mraz, Wayne Denson, Henry Grady Gafford, Dub Wright.

The Basketball Boys have proved this to be an interesting season in spite of losing one of their best players, Bill Don Kimzey, to the Navy. With Henry Grady Gafford as high point man they won about 70% of their games, being placed fourth in their conference.

Several of their games ended in ties and had to be played off. In most of their defeats, they lost by a very close margin. Although no definite games were played, the Hermleigh Cardinals proved to be Scurry County Champions.

Two of the main players will graduate this year, but with much determination the Cardinals will again be a successful team.

## *Treasured Memories*

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
